Program Cost

The cost for the program is a \$100.00 registration fee to be paid *New Life Christian Schools* when you register.

The ongoing fee will be 10% (a tithe) of all income that is taken in (except for book fees). This will be payable each year at the beginning of each school year, and intermittently during the school year when new students arrive.

We will need to make at least one site visit to help you to get started, or sometime after you start. The cost for that will be \$100.00 plus travel expenses, meals, and lodging. We will not take advantage of this fee, but we will be fine staying with school personnel, and eating meals wherever we are fed.

“And all thy children shall be taught of the Lord...” Isaiah 54:13
